Board members please do not respond.

Mr. Durst,

Your accusation is baseless and yet another personal attack. Mr. Lichter, my husband, does not need level 2 clearance to volunteer outside of school hours. Only volunteers that work with students are required to have level 2 clearance. No laws or policies have been violated. Please stop with these false and defamatory accusations against me and the MCA board of directors. Thank you!

Regards,  
Kelly Lichter
